# MATHEMATICS-IN-INDUSTRY STUDY GROUP

## MISG 2004

26<sup>th</sup> – 30<sup>th</sup> January 2004 University of Auckland, Auckland,  
New Zealand

- ❖ You are invited to participate
- ❖ Plan to be in Auckland this southern summer!
  
- ❖ Free registration to academic and problem solvers
- ❖ Postgraduate student support available
- ❖ Budget accommodation available
  
- The Mathematics-in-Industry Study Group has been held in Australia annually since 1984
- For 2004/5 they are to be held in New Zealand
- Feedback from previous MISGs has been positive
- 6 – 10 industrial (including the biological, financial industries) problems will be presented by industrial representatives – which will give you new challenges
- Plenary sessions will be held
